

10 February 2014, BELAC has approved an extension of our accreditation scope. From now on, WFRGENT nv is entitled to perform fire resistance tests under accreditation according to the following standards:

- EN 1364-3: "Non-loadbearing elements: Curtain walling. Full configuration (complete assembly)"
- Arrêté français du 22 mars 2004, § 2.5 de l'Annexe 1: "Arrêté relatif à la résistance au feu des produits, éléments de construction et d'ouvrages - Plafonds stables au feu"
